TUMKUR DIVISION.

Notification dated 18th August 1953.

Sealed tenders will be received in the Office of the Executive Engineer, Tumkur Division, Tumkur, up to 4 P.M. on Wednesday the 16th September 1953, for the following works.

2 Tenders should be on printed forms obtainable on payment of annas four only (0-4-0) per form, from the Office of the Executive Engineer, Tumkur Divition, Tumkur. Tenders not submitted on the prescribed form will be rejected.

3. Each tender should be accompanied with a treasury challan, duly certified, for having remitted into the treasury the prescribed earnest money under "Revenue Deposits". Tenders not accompanied with the earnest money challans will be rejected. No cash or cheques will be accepted. Any reference to any outstanding dues in the department, with a view for adjustment towards earnest money will be ignored.

4. The earnest money of unsuccessful tenderer will be refunded after the acceptance of any one of the tenders or after two months from the date of the tender whichever is earlier.

5 Specific rates should be quoted against each item of work in the abstract of quantities and the same should be clearly expressed in words and figures. Rates quoted should hold good for a period of one year even if the acceptance of the tender is delayed. Rates quoted by the successful tenderer should hold good during the full duration of the work and a specific clause to that effect will be incorporated in the agreement. Rates for non-tendered and non-estimated items of work, if executed, will be paid according to the prevailing schedule of rates or as per data worked out during execution. The rates quoted should be inclusive of sales-tax will be considered.

6. Every tenderer should furnish an income-tax clearance certificate along with the tender or at lease at the time of executing the agreement failing which his tender will be cancelled and his earnest money deposited will be forfeited.

7. The contractor shall be bound by the departmental rules in force in the matter of execution of work, arranging and aligning the work.

8. No conditional clause will be accepted.

9. The decision of the departmental officers of and above the rank of the Executive Engineer, in all matters of disputes as regards quality, quantity and rate for any item of work shall be final and legally binding.

10. The stipulated progress should be shown from the very commencement of work and failure to show the required progress will entail forfeiture of all dues from the department as well as imposition of penalty as the department may think fit.

11. The department reserves unto itself the right to reject any or all tenders without assigning any reason therefor.

12. Abstracts of approximate quantities are appended to the prescribed form. The quantities therein are only approximate and are likely to vary. The successful tenderer is bound to execute all items of work even if they are at variance with the quantities in the abstract.

13. The lowest tender for each item of work as noted under will be taken into account in deciding the tender.

14. The tenderers are requested to quote individually for each item of work detailed below and not on percentage basis of the estimate.

No.	Name of work	Value of work	Earnest money to be deposited	Monthly progress	Date of completion

5.	4" C. I. distribution with public fountains.	2,398	120	2,398	31st October 1953.

K. V. SIDDABASAVIAH,
Executive Engineer.

3634

MYSORE DIVISION.

Notification.

Sealed tenders duly signed by the contractors will be received at the Office of the Executive Engineer, Mysore Division, Mysore, up to 4 P.M. on 23rd September 1953, in connection with the following work :—

Name of work	Amount of estimate Rs.	Earnest money required Rs.	Work to be completed by the end of	Monthly progress not less than Rs.
Constructing a Twin Subordinate Quarters at Bettadapura, Periyapatna Taluk	7,350	370	February 1954.	2,000

2 The prescribed tender forms can be had at the Office of the Executive Engineer, Mysore Division, on payment of annas four per form. Tenders submitted in forms other than the printed forms will be rejected.

3 Each tender must be accompanied by a duplicate treasury chellan for having credited the amount noted against each as earnest money under "Revenue Deposits" and S.B. Pass Books or any other adjustment of amount due by

Government to the tenderer will not be considered. Each tender to be superscribed as "Tender for Constructing a Twin Subordinate Quarters at Bettadapura, Periyapatna Taluk", without which the tender will be rejected.

4 Detailed estimates, plans and specifications may be seen in person by the tendering contractors in the office of the undersigned between 11 A.M. and 5 P.M. on all working days.

5 Specific rates should be quoted for each individual items of work which should be inclusive of all taxes prevailing in the area, and the tendered rates should be in words also. Tender offering percentage reduction or increase will not be considered.

6 No conditional clauses will be accepted.

7 For lumpsum provision for non-tendered items, the rates will be paid as per minimum current schedule or as per data with not more than 10 per cent for contractor's profit.

8 The final acceptance of the tender will rest with the Superintending Engineer, Cauvery Circle, Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection if any.

9 The successful tenderer should bind himself to abide by the departmental rules in force and execute necessary contract agreeement within a week from the date of communication of approval to his tender, failing which the earnest money will be forfeited to Government.

10 The earnest money of the rejected tenderers will be refunded on application, only after any of the tenders is approved or after two months from the date of receipt of tenders. The reserve and earnest money of the successful tenderer will be repaid only at the time of settlement of final claims.

11 All over-writings and corrections while submitting the tenders should be attested to by the tenderers.

12 The quantities given in the estimate are only approximate and drawings shown to the contractors are only tentative and are liable to alterations, omissions, deductions or any additions at the discretion of the Executive Engineer, Mysore Division, or any higher authority. The tendered rates will hold good for any quantity, whether higher or lower than those given in the estimate.

13 In case of any accident to the labour employed by the contractor during the course of construction, the accepted tenderer should pay the compensation to the injured as per rules of Government in force, failing which the amount will be deducted out of his claims and paid to the injured.

14 The contract should not be sublet.

15 The name of the successful competitor, whose tender has been accepted will be posted on the notice board in the Office of the Executive Engineer in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

16 Rates once tendered will not be enhanced on any account.

17 In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

18 The Income-tax clearance Certificate should be enclosed along with the tender and tenders received without the certificate are liable to be rejected.

3919 J. S. NANJUNDA RAO, *Ex. Engr.*
